

HIGHLY QUALIFIED PROFESSIONALS

With the intention of facilitating the entry of talent, investment and foreign entrepreneurship in Spain, Law 14/2013 on entrepreneurs regulates the permission for the **hiring of highly qualified professionals**.

The aim is to **attract talent to the Spanish business sector** and promote the internationalization of Spanish companies and to this end, the possibility of entering and staying in Spain of these professionals is facilitated.

WHAT IS IT AND FOR WHOM?

When a company requires the **incorporation in Spanish territory** of foreign professionals for the development of an employment or professional relationship.

If any of these assumptions are met:

1 Managerial or highly qualified personnel, when **the company meets certain characteristics**.

2 Managerial or highly qualified personnel who are **part of a business project** that involves, alternatively and provided that the condition alleged based on this assumption is accredited as **of general interest**.

3 **Graduates and postgraduates** of universities and business schools of recognized prestige.

WHO INITIATES THIS APPLICATION?

The company is responsible for managing this type of procedure in favor of the foreign professional (or a representative of this).

As it is the company that initiates the application, the permit as highly qualified is **linked to the company** in which you will work.

HOW LONG DOES IT LAST?

The new **Startups Law** extended the initial duration:

 **3 years**
